# ABOUT OUR COMPANY

Luxcom Lighting is the foremost manufacturer of LED lights in India. We are currently the leading suppliers of High Bay, Flood & Street LED lights in India. Each product developed by us undergoes extreme planning to you with quality outcome making it worth use. We design, manufacture and supply LED lights to both commercial and residential use. We are proud to introduce multiple lighting products that can bring down the energy efficiency in larger level.

## WHY US?

We have earned a reputation of producing superior quality of LED products which is being applauded by users for features like compact designs, sturdy construction, less power consumption, longer service life, easy installation and many others. Our experience and knowledge in this field have made us worth a company to believe in and get receive an unmatched solution.

### OUR PROFICIENT WORK FORCE COMPRISES OF:

- Engineers
- Quality Inspectors
- Research Experts
- Technicians
- Skilled Labour
- Prompt delivery
- Quality Approved Range
- Premium Packaging
- Easy Payment Modes
